△ Tentative Specification Note) For the CMOS 4000B and CMOS 74HC Series, Pana-flat package (SO package) is available besides standard DIP package. For Pana-flat Product, "S" is attached to the end of the type number.

△ Tentative Specification. Note) For the CMOS 4000B and CMOS 74HC Series, Pana-flat package (SO package) is available besides standard DIP package.  
For Pana-flat Product, "S" is attached to the end of the type number.
