

B20

B 20 OPERATIONS (SELF PACED TRAINING PACKAGE)

STYLE NUMBER: EL6300-20

CATALOG NUMBER: 2997 9317

We welcome you to our family of B20 Program Product users. As you put your program product to work, you will find that it will become an integral part of your business.

This package contains:

- Two Diskettes containing Burroughs B20 Operations (self Paced Training Package) Release Level 3.0.
- B20 Operations: Learning to Use the System, form #5016017.
- B20 Operations: Quick Reference Guide, form #5016025.

Your B20 Operations (Self Paced Training Package), level 3.0, has been qualified to run with Burroughs B20 Operating System Release Level 4.0 or greater. The instructions to install the B20 Operations (Self Paced Training Package) are explained in the B20 Operations: Learning to Use the System Guide. You should read and follow the procedures indicated before attempting any operation of this system. If a diskette is found to be defective, contact the source from which you acquired this program product for a replacement.
