

DIGITAL COMPUTER *NEWSLETTER*

The purpose of this newsletter is to provide a medium for the interchange among interested persons of information concerning recent developments in various digital computer projects. Distribution is limited to government agencies, contractors, and contributors.

OFFICE OF NAVAL RESEARCH · MATHEMATICAL SCIENCES DIVISION

Vol. 11, No. 4

Gordon D. Goldstein, Editor
Jean S. Campbell, Asst. Editor

October 1959

SPECIAL NOTICE

Due to conditions beyond the control of the editor, the October 1959 Digital Computer Newsletter will not be published. The next regular issue, January 1960, will be expanded to include all the news items which would have appeared in October.
