Notice of Discontinuation of the Intel® Server Platform SRMK2 and its Spares/Accessories

This announcement will serve as official notice that as of January 28, 2002, Intel will discontinue selling the Intel Server Platform SRMK2. The spares and accessories that Intel offers for the SRMK2 will also be discontinued along with the platform.

Intel continually reviews its product offerings to ensure a smart fit with overall strategic goals and priorities. In support of an OEM building block model, Intel will no longer be offering the SRMK2 in the broad channel.

Skus to be discontinued:
