

Intel Corporation
5200 N.E. Elam Young Parkway
Hillsboro, OR 97124

September 4th, 2001

Dear customer:

Intel is announcing the product discontinuance of the **SRPM8** ("Saber-R") model 0 system platform.

This notification affects the following product code:

Product to be Discontinued	MM#	Description
<u>System SKU</u>		
SPMCBT	831065	Palmetto/Cabot Model 0 (without PCI-X)

Customers will have two (2) months to place final orders, and four (4) months to take the final delivery.

Notes:

1. This product discontinuance notification is effective **September 4th, 2001**.
2. Final purchase orders for the affected products must be placed by **November 4th, 2001**.
3. The final quantity to be shipped must specify a customer request date (CRD) no later than **April 4th, 2002**.

All final purchase orders placed after the August 31, 2001 discontinuance notification for the listed product are non-cancelable and non-returnable, notwithstanding any conflicting terms in our quotes, purchase order acknowledgment or Distributor agreements. Customers can order SRPL8 (Saber-RX) model 0 system SKU (SPM2CBT; MM#: 838066) as a replacement product. Please contact your local Intel Sales Office or Distributor if you require more information or need assistance in selecting a replacement product.

Sincerely,

Enterprise Platforms & Services Marketing
