## Wayport® Portable Internet Access

# Next Time You Travel With Your ThinkPad® Take Fast Internet Access With You.

*Introducing high-speed wireless Internet access from Wayport.*

Now using your IBM ThinkPad, wireless network card and Wayport Internet service, you can access the Internet at speeds up to 200 times faster than a standard cellular modem.

Wayport's service is rapidly expanding into hotels and airports in major travel destinations. Check our website for a current location list.

Our service is based on the same 802.11b wireless Ethernet standard adopted by IBM and many other leading PC and networking vendors.
